

Fellow Gunners,

This year the Royal Australian Artillery Association of the Australian Capital Territory will hold our traditional ANZAC Day Memorial Service at the Royal Australian Artillery National Memorial on Mount Pleasant at 9 am. We welcome all our fellow gunners from around the country to join us for this commemorative event. If you are intending to come along, especially if you are a big group with Coaster buses or Coaches, could you drop us a line so that we can make the appropriate administrative arrangements as the top of Mount Pleasant is quite small. Notification by 20 April 2017 would give us the opportunity to modify fire plan and meet the H Hour timings.

Ubique

**Sean Ryan**

**RAA Association (ACT) President**
